### Agenda:

[hispanicphysicists.org/  
dia\\_agenda/](https://hispanicphysicists.org/dia_agenda/)

Join us for the 2023 Día de la Física, which will be at Portland State University, Saturday, October 28th, 2023.

Día de la Física/Day of Physics is hosted by the National Society of Hispanic Physicists (NSHP). NSHP is a nonprofit that represents Hispanic and Latino physicists in higher education, national laboratories, and industry in the U.S. and across the world.

Organizers: Juan Burciaga (Colorado College), Angie Huerta (U Notre Dame), Andrew Rice (Portland State U), and Mario F. Borunda (Oklahoma State U)
